

Edmonds Woodway Amateur Radio Club

In Person Meeting of 12 May 2022

Meeting Minutes: (Courtesy of Greg N7IAD with minor formatting by Tom K7BXA)

Agenda: General Club Business and report from Robert KD7WNV on Radio support for the Bigfoot 200 race.

General Announcements:

- Daily 10 meter gatherings continue at 1200 local time at 28.350 MHz.
- We now have access to the Mountlake Terrace Community Senior Center with both a key and a code given to us by Elizabeth the Center Manager.

From the Treasurer:

- We have 3 new members to add to the 44 reported last month.
- We will incur some expenses as we approach Field Day such as permit cost to meet on the area behind Senior center.
- Members who wish to get more details regarding the state of our finances should contact our Treasurer, Barry K7BWH.

Meeting Notes:

- The attendees decided unanimously to use the deck on the Senior center to set up for comfort on Field Day, but any use on the green area grounds requires a permit from the Mountlake Terrace Parks and Recreation Department which Tom KH6HDA and Ed N7PHY are working on
- There was brief discussion regarding Field Day with the next monthly meeting on June 9th to pin down any Field Day requirements.
- Note to all: the Field Day volunteer list is on the Tuesday Net heading on our club website. Go to the membership roster and scroll down to the bottom where you will see the heading for Field Day 2022.
- John KM70 said he will bring his solar panels to Field Day. Tom KH6HDA said he will bring his generator. Chuck WA7BRL will be doing his 10 meter setup. Tom KH6HDA said he will be the Safety Officer for

Field Day. Barry K7BWH will be bringing the club banner. Greg N7IAD has volunteered for a number of items on the checklist such as contacting city officials and the Beacon to announce our proceedings. Ed N7PHY will be bringing the club Icom IC-7300 and his DX Commander antenna (awesome setup!) so anyone can try it out. Even if you can't volunteer for any Field Day items come and enjoy Field Day!!

- Barry K7BWH announced this years 26th annual Pacific Northwest VHF Society conference to be held in Salem Oregon. Online registration is now open. You can get the specifics at <http://www.pnwvhfs.org/conference/2022/announcement.html>
- Also mentioned is the 29th Annual Stanwood Camano Hamfest to be held this Saturday May 14th. Go to the Stanwood Camano club website for specifics.
- The meeting was turned over to Robert KD7WNV who talked about this years Bigfoot 200 race. He detailed race specifics and how the Amateur community helps to keep all the runners safe. The details were really great. This race goes day and night and the various Aid stations and Amateurs along the way have their work cut out for them. Robert has been involved with this and other races in Tahoe and Moab. Thank you Robert for your time and presentation! If anyone wants to you can contact Robert if you would like to help in this years event. The event is scheduled for August 13th thru 17th 2022. For more information see: <https://www.destinationtrailrun.com/bigfoot>
