

# **Edmonds Woodway Amateur Radio Club**

Meeting of 9 June 2022

**Agenda: General Club Business and Preparations for Field Day 2022.**

## **General Announcements:**

- Daily 10 meter gatherings continue at 1200 local time at 28.350 MHz.
- We now have access to the Mountlake Terrace Community Senior Center with both a key and a code given to us by Elizabeth the Center Manager.

## **From the Treasurer:**

- We have 1 new member: Sid AB9BH from Shoreline for a total of 46 members.
- Expenses for Field Day include \$144 for use of the Park next to the Senior Center plus a \$300 donation to the Senior Center for use of their facilities.
- Members who wish to get more details regarding the state of our finances should contact our Treasurer, Barry K7BWH.

## **Meeting Notes:**

- The summer club BBQ planned for early August must be limited to club members due to space considerations.
- Field Day plans are flexible. We would like to operate from 8:00 AM to 8:00 PM on Saturday June 25th. However, the MTCSC is booked for a celebration starting at 5:00 PM. So we cannot operate from the veranda after about 4:30. We have permission to set up in the park and could operate there for the entire planned time. If the weather looks damp then we could set up on the veranda of the Senior Center but would have to shut down earlier than we would like. As we get closer to Field Day we will keep the weather forecast under consideration and adjust accordingly.
- People are planning to show up at the Senior Center at about 8:00 AM to begin setting up. Field Day will start officially at 11:00 AM. Tear down time will be decided on Field Day.

- For current details about our Field Day plans see the Field Day 2022 tab on our club website. Go to the Tuesday Net Roster and scroll down to the bottom where you will see the tab for Field Day 2022.
