

Edmonds Woodway Amateur Radio Club

Meeting of 14 July 2022 VP Rick K7TR Presiding

Agenda: General Club Business and Lessons Learned from Field Day 2022.

General Announcements:

- Daily 10 meter gatherings continue at 1200 local time at 28.350 MHz.

From the Treasurer:

- We have 1 new member: Ruth Allen for a total of 47 members.
- Expenses for Field Day included \$144 for use of the Park next to the Senior Center plus a \$300 donation to the Senior Center for use of their facilities.
- Giving away a 10-15-20 tri-band antenna ... see Barry K7BWH
- Members who wish to get more details regarding the state of our finances should contact our Treasurer, Barry K7BWH.

Meeting Notes Lessons Learned from Field Day 2022:

- Lots of interference between stations ... too many vertical antennas too close together.
- Frank N6CES mentioned that the Snohomish County radio club used a board with band filters which seemed to do the trick.
- Band conditions were pretty disappointing.

New Business:

- Is there support for a parking lot flea market possibly in conjunction with a Saturday Breakfast at the Senior Center?
- The club has been contacted by the City of Edmonds about getting involved with an expo to be held on September 17. We need to get a better idea of what the City of Edmonds wants and needs from expo participants. Note: see exchanges in the email reflector regarding plans for this expo and club participation.
- Barry K7BWH gave a quick description of his recent roving trip to 6 different grid squares in Idaho and Montana. See his QRZ web page for more details.

List of attendees

* = via Zoom

1. John KM7O
2. Rick K7TR
3. Daniel KJ6SEE
4. Frank N6CES
5. Mike W7NP
6. Ruth Allen
7. Greg N7IAD
8. Walt W7PRB
9. Barry K7BWH
10. Tom K7BXA
11. *Ed N7PHY
12. *Chuck WA7BRL
13. *Brian KG7PD
14. *Susan W7MXW
15. *Dave W7VM
16. *Tom K7POE
17. *Rich K7RCH
18. *Robert KD7WNV
19. *Scott KB7RSV
