From the Treasurer:

- We have 1 new member: Ruth Allen for a total of 47 members.
- Next anticipated expense: October 1st rent for the Senior Center.
- Members who wish to get more details regarding the state of our finances should contact our Treasurer, Barry K7BWH.

Club Logo Ideas:

- There were a few ideas for club logos from the BBQ.
- Anyone with ideas for our club logo is welcome to submit them to club officers.
- Mike W7NP has a nephew in Colorado who is a graphic artist who could review logo ideas.

VE License Testing:

- Work on this project continues. To see the latest info go to <https://edwaynet.com/net/>. Then follow the link to Edway Net Roster and see the VE link at the bottom of the spreadsheet.

Edmonds Preparedness Expo:

We welcomed Chuck Wallace, Safety & Disaster Coordinator for the City of Edmonds to discuss the upcoming Preparedness Expo on Sept. 17 from 11:00 AM to 3:00 PM at the Francis Anderson Center. We have been invited as a club to participate. The City of Edmonds would like us to engage with attendees and to talk to them about how ham radio can help the community in the case of a widespread disaster. We are currently planning to set up ham gear outdoors (weather permitting) in a mini-field day manner. Ed has ARRL printed handouts on order. For details of our planning ideas see the Prepare Expo spreadsheet at the bottom of the Edway Net Roster on the Tuesday Net page of the club website.

For a book about an actual disaster and the affects it had on a community see: The City That Fell To Its Knees: Personal recollections of the Canterbury earthquakes by Jenny Adamson. Available on Amazon. This is the story of the earthquakes that devastated Christchurch, New Zealand.
