

# Edmonds Woodway Amateur Radio Club

Meeting of 13 October 2022 Pr. Ed Serchon N7PHY  
Presiding

## General Announcements:

- Daily 10 meter gatherings continue at 1200 local time at 28.350 MHz USB. Everybody is welcome!
- Idea for November meeting: movie night and either indoor swap meet or project show-and-tell. (Ed)

## From the Treasurer:

- Bank balance in the black (Barry)
- Briefly discussed expenses (community center, web site, annual non profit fee)
- Members who wish to get more details regarding the state of our finances should contact our Treasurer, Barry K7BWH.

## Edmonds Preparedness Expo:

- Great participation and attendance
- Ideas for repositioning the table for better crowd exposure

## PNW VHF Conference Recap (Barry)

- Good attendance to conference in Salem last weekend. From the Edway club; Barry, Ed, and Brian attended.
- Presentations included making contacts on 122GHz, 440MHz fox hunt event, W7GJ Lance's EME DX-expedition to Mayotte.
- Barry recognized Edway club members who won certificates in the parallel award program.
- Next year the conference will be held in Issaquah.

## Great American Shake Out - Earthquake Drill Exercise (John)

- Will be held October 20th at 10:20 am
- John will be on 146.520 simplex as N7EDW. Club members are requested to get on the air using emergency power. John will make contact with as many stations as possible, passing on a message. Stations receiving the message are then encouraged to contact other club members outside of John's range to pass on the same message.

- Following the exercise we will map the stations able to receive the message.

## **Digital Logic Presentation - Dave WA7RSO**

- Dave gave a really interesting view into his work on the lunar moon rover and the AWACS radar system. Then followed up with a unique and simplified way to understand digital logic functions and tables.
- See Dave's email to the reflector for the link to the presentation information.
