Meeting of 11 August 2026 Pres. Brian Sears presiding.

First Things First:

Tom K7BXA, Secretary of the club, spaced out while working on Scotcheroots for the club picnic and forgot about the meeting until it was all over! Thanks to Greg N7IAD a list of attendees was produced and will be pretty much all that gets posted this month.

General Announcements:

Welcome! Daily meet up continues on 28.350 MHz USB.

From the Treasurer:

For details regarding the club budget or financial matters see Barry K7BWH.

The club now has a copy of “Digital Networking for Ham Radio” from ARRL. This book is available for club members to borrow. See Ed or Brian if you want to borrow the book.
